

Peninsula Fiber Network Acquires Fiber Optic Network in Emmet County, MI

Marquette, MI – June 1, 2022 - Peninsula Fiber Network, LLC (PFN), a leading provider of fiber optic-based telecommunications and Next Generation 911 services throughout Michigan, Wisconsin, and parts of Minnesota today announced that it has completed the purchase of an existing fiber optic network in eastern Emmet County.

The network was previously owned by Emmet County and T-K Fiber Systems. As a critical component of the transaction, Emmet County retains a long-term lease on some of the network needed for its governmental operations.

Thom Sumbler, Senior Vice President – Business Development, stated, “We like win-win situations and believe this transaction benefits Emmet County, T-K Fiber Systems, and PFN. PFN obtains more network in a critical part of Michigan while also continuing to support one of its key governmental customers, Emmet County.”

PFN operates one of the largest fiber optic networks in the Midwest while also providing NG911 service to all 83 counties in Michigan.
